

COMMITMENT LETTER

**Glen Sampson
Local Entity Chairman
Imperial Irrigation District**

Re: Submission of **Letter of Commitment**

Mr, Sampson,

_____ extends this letter of commitment in support of _____ in their endeavor to secure Local Entity funds. It is our understanding that the Imperial County suffered economic hardships as a result of the land fallowing measures implemented during the periods 2003 - 2004 & 2004 – 2005; Directly producing the loss of business and tax revenue, employment income, and consumer spending within the Ag-related sector and consequently collateral impacts upon local businesses, individuals, and governments.

We are in full support of the Local Entity's economic recovery effort to offset the impacts produced within our communities and after careful review of the proposal submitted by (Beneficiary of the letter of support), we pledge our efforts towards the successful achievement of the overall objectives established within the application in question by committing specific resources in the attainment of the outcomes established

In support of this proposal if funded, our organization commits to provide the following:

- Cash contribution in the amount of \$ _____
- In-kind contribution with a value of \$ _____

The contributions indicated will be made available as of _____ through _____, subject only to the awarding of this grant.

Description of contributions or in-kind intended services:

- Cash contribution in the amount of \$ _____, to be utilized in achieving program outcomes established within the work plan submitted.
- Participant recruitment and community outreach for program activities:
 - _____ Annual hours provided through our personnel with a value of \$ _____
- Organizing and presenting workshops concerning program activities and services:
 - _____ Annual hours Provided though our personnel with a value of \$ _____
- Provide services, including the use of facilities for recruitment, interviews, community outreach, and presentations pertaining to program objectives.
 - _____ Annual hours provided through our personnel with a value of \$ _____
- Provide supportive services consisting of:
 - _____
 - To a total of _____ participants with a value of \$ _____
