

PV Solutions Rebate Program Reservation Confirmation Form

INSTRUCTIONS

Once a completed Reservation Confirmation Form has been received, a Reservation Confirmation Number will be issued. To receive a Reservation Confirmation Number the "Purchaser Information" must be completed. If you have already selected an installer, please complete the "Installer Information". If you have not yet selected your installer, this area may be left blank.

PV SOLUTIONS REBATE PROGRAM REQUIREMENTS

Program Dates

The program begins January 1, and will terminate on December 31, 2009.*

***IID reserves the right to modify the program at anytime without prior notice. Please note that any construction done prior to IID approval will void rebate eligibility.**

Program Requirements

- All flat plate modules and inverters must be on the State of California Energy Commission list of eligible equipment.
A list of approved PV modules can be found on the Web at http://www.consumerenergycenter.org/erprebate/eligible_pvmodules.html
A list of approved PV inverters can be found on the Web at http://www.consumerenergycenter.org/erprebate/eligible_inverters.html
- You must be an active customer of Imperial Irrigation District.
- The system must be a minimum of 1000 watts AC.
- The system must come with a minimum five year warranty against breakdown or unusual degradation.
- The system must be installed by a licensed contractor class C-10 electrical or C-46 solar.
- The system must be installed in accordance with all applicable building and national electric codes.
- The system must be connected to the IID system and you will be switched to a net metering rate.
- The system must include a second meter to record generation for billing purposes.
- You must agree to future inspections of the equipment to verify PV system performance.
- You must operate and maintain your system for a minimum of five years in the area served by IID.
- If your system is more than 30 kW, please refer to IID's Regulation 21 Guidelines.

Steps to Receiving Your Rebate

- Complete and submit a Reservation Confirmation Form along with a \$100 deposit to reserve funds for your rebate.
Your system must be installed within 6 months.
- Submit your One-line Diagram and Site Plan along with 2 original completed Net Metering and Interconnection Agreements within 60 days of receiving your Reservation Confirmation number.
- IID will review your plans and, upon approval, send you the PV Solutions application.
- Construction of your system may begin.
- Complete and submit your application along with your final invoice and a signed building permit.
- IID reserves the right to conduct a final inspection to verify installation meets program requirements.
- IID will issue your rebate payment within 30 days of the final approval.

Please mail your completed form to:

Imperial Irrigation District
PV Processing
P.O. Box 937
Imperial, CA 92251

If you have any questions, please contact us at: (760) 339-9724

PV Solutions Rebate Program Reservation Confirmation Form

This form must be completed and submitted to IID along with a \$100 deposit in order to reserve a rebate for installation of a solar photovoltaic (PV) system under the IID PV Solutions Rebate Program. Please refer to the instructions on the reverse side of this form.

Only fully-completed applications will be processed.
