I hereby authorize the Imperial Irrigation District and the financial institution I've indicated to automatically deduct from my bank account any future IID power bill payments. If at any time I decide to stop a payment or to discontinue this payment service, I will notify IID by phone or in writing. I understand that I will need to allow 12 IID business days from the READ DATE on my statement in order to stop the electronic funds transfer.

Frequently Asked Questions

How do I sign up?

Complete and sign this authorization form. Include a voided check from which you wish your IID payment to be withdrawn. A nine digit bank routing number is required.

How will my bill be paid?

IID will inform your financial institution of the amount due. The bank will automatically deduct that amount from your checking account on the *AMOUNT DUE BY* date shown on the lower right portion of your statement.

How will I know how much my bill is?

You will receive your regular billing statement from IID, showing the date and amount due.

What if I have a question about my bill?

Easy! Just call IID's Customer Service office if you have questions about amounts due, stopping a payment or canceling this service. (Please allow 12 IID business days from the *READ DATE* on your statement to stop an electric funds transfer.) The phone numbers are listed to the left.

How can I be sure my bill has been paid?

Your payment will be itemized on your monthly bank account statement, and your IID statement will show no previous balance.

Is there a charge for this service?

No. However, a \$20.00 fee will be added to your electronic bill for a returned item. IID reserves the right to terminate your participation in the *EZ Pay Program* if your payment is rejected more than three times within a 12-month period.

Can I continue to be on Average Billing if I sign up for the EZ Pay Program?

Yes! You can be on *Average Billing*, and still enjoy the benefits of our *EZ Pay Program*.

Automatic Payment Service is only available using checking accounts at U.S. banking institutions.
