Water History Request Form

Annual water history will be provided for the last 10 full year period. Please write in the canal and gate name neatly below. Multiple sheets may be used. The owner name must match IID records to be eligible for water history release. **When complete fax to (760) 339-9121 Attention: Water History Request.** Reports are generated on a first come first serve basis and usually take one week to complete. Water history will be faxed or mailed to the party requesting the information.

Note: Only one signature is needed for multiple fields with the same owner.
