Imperial Irrigation District
Imperial, California

WATER RATES
SCHEDULE NO. 6

Stand-by Service (Water Availability Charge)

Applicable to lands within the service area of the District, which are entitled to water service in accordance with the District's Rules and Regulations, except lands not subject to assessment (City, County, State and Federal lands including public water districts).

Annual Stand-by Charge

For each gross acre, or fraction thereof, whether water is actually used or not \$4.00

Less minimum allowance for any and all right-of-way considerations 5%

Net per acre charge \$3.80

Special Conditions

(a) Annual Billing. Billing for stand-by service will occur annually in advance of January 1, payable on a semi-annual basis. The date of delinquency is established as being February 15 and August 15 for the respective six-month periods.

(b) Minimum Charge. There shall be no charge for parcels of 5.0 acres or less.

(c) Private Water Agencies. Charges for acreage within the Imperial Irrigation District which are directly served by private water systems, mutual water companies, or other private agencies providing water service shall be collected from said agencies.

Board Action - Revised November 10, 1998

Date Effective - January 1, 1999
