RESOLUTION RECOGNIZING PUBLIC POWER WEEK, OCTOBER 2-8, 2022: A WEEK-LONG CELEBRATION OF IMPERIAL IRRIGATION DISTRICT'S YEAR-ROUND SERVICE

WHEREAS, IID provides our homes, businesses, schools, and social service and local government agencies with reliable, efficient, and safe electricity employing sound business practices designed to ensure the best possible service at not-for-profit rates;

WHEREAS, IID is a valuable community asset that contributes to the well-being of local citizens through energy efficiency, customer service, environmental protection, economic development, and safety awareness;

WHEREAS, IID is a dependable and trustworthy institution whose local operation provides many consumer protections and continues to make our community a better place to live and work, and contributes to protecting the global environment;

NOW, THEREFORE BE IT RESOLVED, that IID will continue to work to bring low-cost, safe, reliable electricity to community homes and businesses just as it has since 1936, the year when the utility was created to serve all the citizens of Imperial Valley and since 1943 once electric service was expanded to the Coachella Valley; and

BE IT FURTHER RESOLVED, that the week of Oct. 2-8, 2022, be designated Public Power Week to recognize the people behind public power at IID for their contributions to the community and to educate customer-owners, policy makers, and employees on the benefits of public power;

BE IT FURTHER RESOLVED that our community joins hands with more than 2,000 other public power systems in the United States in this celebration of public power, which puts our residents, businesses, and the community before profits.
